Chest Leaders Meet at Home of Miss DeCamp

Representatives from Torrance were among top leaders of Community Chest's residential organization who met recently in the Hollywood Riviera home of their new chairman, television personality Rosemary de Camp. Miss De Camp, familiar to millions of television viewers in her role as the glamorous sister in the Robert Cummings TV comedies, is in private life Mrs. John Shidler, wife of the South Bay Municipal Court Judge. The meeting was in the nature of a briefing session for the newly-appointed volunteer chairmen of the Chest's residential units in the Harbor area (comprising San Pedro, Rolling Hills, Palos Verdes, Harbor City, Gardena, Lomita, Wilmington and Torrance).

Unit chairmen are responsible for raising the teams of volunteers who will call on homes throughout the area to solicit contributions to Chest funds when the residential campaign opens on Nov. 3.

This year Torrance is competing against the other Harbor area towns for the J. A. Robinson trophy. This trophy, presented by Jay Robinson of San Pedro, for many years a leading figure in Community Chest campaigns in the Harbor area, is being awarded

In the future there will be no more "502" to designate a drunk driver. This section has been changed to 23102, and all other offenses have also been changed to confuse police and lawyers. —Press Photo

Librarian Tells Use of Branch

Miss Ruth Binz, librarian for the Carson Branch Library at 22102 S. Main St., played a dual role at the last meeting of the Carson Civic Betterment Association. The Association held its monthly meeting recently at the Carson Branch Library, and as guest, Miss Binz gave a talk about the library, its problems and accomplishments.

Miss Binz reported that more than 33,000 books have been checked out since the opening of the new branch on March 23. What was a surprise, and also a surprise to all library officials, was the class of books that had first preference. In many libraries throughout our country, fiction is in the greatest demand. At the Carson Branch, history, geography and biography has first choice, with fine arts as second.

Miss Binz's report was so gratifying that it proved to the members of the CCBA that their claims and efforts for a larger library branch were justified.

Miss Binz also reported that a representative of the Social Security Administration visits the library twice a month for consultations with the residents of the Carson area. The next visit will be on Tuesday, Sept. 29, from 1 to 2 p.m.

Prior to the library report, the Carson Civic Association agreed to help the residents of the one hundred block of East 218th St. in obtaining a modern street that will meet the specifications of the County Road Department.

Fuchsia Society Given Talk by Young Expert

A youthful expert on begonias, Don Horton of Costa Mesa, lectured and showed colored slides at the regular meeting of the Lomita Fuchsia Society, 24702 Narbonne Ave., Lomita, Friday evening, according to Mrs. Raymond Arnold, president.

Having grown plants since he was old enough to put a seed in the ground, Don Horton has added to his gardening knowledge both through trial and error and extensive reading. He has made his own crosses to produce numerous hybrid begonias.

Horton has also contributed to the written literature on begonias, having conducted a regular monthly column on "Seeds, Seedlings and Hybrids for the Begonian" for 2 1/2 years.

For the past three years he has written a weekly garden column for the Costa Mesa Globe-Herald.

Narbonne Church Announces New Officers

Narbonne Avenue Southern Baptist Church recently elected new officers for Sunday School, Training Union, W.M.U. and Brotherhood for the coming year. More than 200 officers will fill leadership positions.

Loman Carter has been selected to serve as Sunday School Superintendent for the third year and Dave Newman will be the new training union director. The Sunday School alone has 19 departments. One of the newest programs of the church, the Wednesday Family Night, provides a program of youth organizations, church worker training and choirs for various age groups.

Pastor Robert A. Wells will speak at both the 8:30 and 10:50 services on the subject "The Family Decisions."

September is "Round-up" month above that of last year.

Community Rally Slated at Lawndale Church

Plans are now complete for a "Community Rally" to set forth the goals of the new Del Amo Church of Christ.

The Rally will be held Friday, at 7:30 p.m., at the Lawndale Church of Christ, 147th and Larch Sts. The church is planned to serve the families of the Torrance-South Bay area.

Bible studies and planning conferences have been held each week since January in various homes in the area. Articles of Incorporation have been filed with the State of California and a large monthly income has been pledged by the already interested families in this new work.

According to Phillip Charnell, one of the leaders in this new church, "The doctrinal position of the congregation will be patterned after the church revealed in the New Testament and will hold to a simple Bible-centered teaching program."

Charnell indicated that the whole community is invited to attend the "rally" and regular services of the church because, "Torrance is a family community, and the church is a family institution."

Persons over 18 who are interested in improving their ability to spell may register at any meeting of the class, which will be held for 12 weeks. For information call the Adult Education Department, FA. 8-8080, Ext. 295.

Use Press Classified Ads—call FA 8-2345; ask for an ad-taker in the Sunday School and training union. An effort is being made to raise the attendance above that of last year.
